Guests Get Tropical to Attend Silver Anniversary Celebration for Westchester Tool Rentals!

Over 200 employees, friends and business associates gather to celebrate, applauding Westchester Tool Rentals and the Puff family's impressive achievement of reaching 25 years in business.

Elmsford NY January 9, 2009: complete with Hula Dancers in grass skirts, Westchester Tool Rentals ignored old man gloom, doom winter, and held a "Hawaii in New York" themed Birthday party on December 20th.

The 25 anniversary bash was the culmination of several small celebratory events and took place on the Westchester Tool Rental, Party Line Tent Rental properties in Elmsford in a large heated tent decorated in a tropical theme with a Tiki Bar, Palm trees and a Koi Pond!

Guests dressed the part in grass skirts, flower shirts, Lai's and hair adorned with Hawaiian Hibiscus flown in for the party. Island style fare was provided by Culinart Group, and guests feasted on shrimp, lobster, filet of beef, salmon, frozen cocktails and more while Don Ho crooned in the background.

Owner Kenny Puff offered a brief, poignant talk thanking everyone involved for their contribution to the company's success, and giving a humble nod to his parents and business partners Anne and Bud and his wife Karin for their constant support thru the years, while dinner was served a slide show paid tribute to the company's success, recalling the past and promising a prosperous future.

"I have been doing business with Kenny Puff at WTR for 25 years and in that time the company has become a giant, not only the tool and equipment rental division but in the party rental sector as well. The growth I have seen here has been phenomenal and I extend my congratulations to all." Pat Divetto, Cardinal Construction Equipment Sales
